WHY YOU'LL LIKE IT...

ESSENTIALS NONSTICK

- ▶ Combines the ease of nonstick with versatile conveniences
- ▶ The pieces are perfect for serving directly at your table
- ▶ Plus, the items stack & store neatly for tight spaces

HAI™ NONSTICK

- ▶ This is All-Clad's answer to the best nonstick
- ▶ It's durable, heats fast, has easy release and is dishwasher safe
- ▶ This is also a great choice for nonstick add-on pieces

D3® STAINLESS

- ▶ This is the classic All-Clad design
- ▶ It's a perfect choice for fast and even cooking, with quality
- ▶ There's plenty of cooking shapes to choose from

D3® EVERYDAY

- ▶ Same 3-ply bonding as D3 Stainless, but with drip-free pouring rims & contoured, comfortable handles
- ▶ Skillets have larger surface area for less crowding and better sear
- ▶ Multi-use interchangeable lids

Only available at all-clad.com

D5® STAINLESS

- ▶ D5's extra layers give exceptionally even heating for superior results
- ▶ You'll enjoy the drip-free pouring rims & oversized handles
- ▶ It has a low maintenance, brushed stainless steel exterior (*also available in a polished exterior*)

COPPER CORE®

- ▶ This is the ultimate solution for total control
- ▶ The copper core reacts rapidly to your desired heat changes
- ▶ A beautiful copper accent reminds you of the hidden beauty

G5™ GRAPHITE CORE

- ▶ All-Clad's 1st ever Graphite Cookware with breakthrough technology visible on the pans surface
- ▶ High Speed, even heat and lightweight convenience
- ▶ Revolutionary graphite saves time preheating and cools more quickly
