COATED CUT-RESISTANT GLOVES

Achieve supreme cut protection without sacrificing dexterity, sensitivity or fit. The SpeedKnit™ S27EP58 is constructed with an 18-gauge HPPE blended shell capable of an ANSI cut level A7 resistant rating for protection in work situations with high cut hazards. Also features a sandy nitrile palm coating that helps maintain your grip, a reinforced thumb saddle, and is touchscreen capable.

FEATURES

- 1 18-gauge HPPE blended shell meets an ANSI A7 cut resistance standard.
- 2 Sandy nitrile palm coating is ANSI abrasion level 4 resistant.
- 3 Touchscreen capable palm coating.
- 4 Reinforced thumb saddle for added durability.
