

RAVELIN JACKET

RAVELIN WATERPROOF JACKET

MODEL #	MJ1320
SIZE	S - 3XL
COLOURWAYS	Black
MATERIALS	Marine Spec SP
MSRP	\$599.00 USD \$679.00 CAD

OVERVIEW

Designed for law enforcement and other professional marine units, this jacket delivers purpose-built performance. Chest-height pockets keep radios, gloves, and critical gear accessible. Side zippers provide duty-belt access and function as adjustable underarm vents for thermal regulation. A longer under-sleeve and oversized inner neoprene wrist seal integrate with a range of work-glove lengths, maintaining watertight protection while preserving dexterity. This jacket is available in an extended range to accommodate a wider range of users.

FEATURES

- 3-layer Marine Spec SP fabric made without intentionally added PFAS
- Two-way YKK Aquaguard® centre-front zipper helps prevent water ingress from spray and rain
- Secured, stowable hood for adaptable weather protection
- Zippered chest-height external pockets for gear storage
- Two-way Extended side zippers provide duty belt access and underarm venting
- 4 x 4.5" Loop panels on shoulders for agency patch attachment
- Adjustable extra large inner neoprene wrist seals with extended undersleeves integrate with gloves
- Internal zippered chest pocket and dump pocket for storage
- Drawcord hem adjusts for a personalized fit
