

TRACHEOSTOMY CARE KITS

Resp-O2™ Tracheostomy Care Kits are designed to provide the essential components needed for the preparation, cleaning, and care of tracheostomy tubes. These time-saving Kits are disposable, portable, and compact for easy use and storage. The components in these fully sealed, single-use Kits are sterile and come packed in sequence of use for maximum efficiency.

- Fully sealed and sterile package and contents
- Components are packed in order of procedural use
- Disposable, single-patient use
- Not made with natural rubber latex or DEHP
