

BY THE WAY

When you're in a hurry, you can use the "Fast Forward" button on the right side of the screen to skip ahead to the next slide. This is useful when you're presenting and want to move on to the next slide quickly.

Navigation

Navigation buttons are located in the bottom right corner of the screen. These buttons allow you to navigate through the presentation slides.

Navigation Buttons

The navigation buttons are as follows:

- Home: Returns to the first slide of the presentation.
- Previous: Moves to the previous slide.
- Next: Moves to the next slide.
- End: Moves to the last slide of the presentation.
- Search: Allows you to search for a specific slide.
- Refresh: Refreshes the current slide.
- Close: Closes the presentation.
