

SPEEDKNIT™ S29EP58

COATED CUT RESISTANT GLOVES

The SpeedKnit™ S29EP58 glove is intended to protect hands from the most extreme cut hazards with an ANSI cut level A9 resistant rating. Shield hands from scrapes while maintaining a high level of dexterity thanks to its ANSI abrasion level 4 rating. Touchscreen capable with a reinforced thumb saddle for added durability, wearers will find the 18-gauge HPPE blended shell provides a snug fit, while the sandy nitrile palm coating helps maintain a decisive grip in both oily and wet work conditions.

FEATURES

- 1 18-gauge HPPE blended shell meets an ANSI A9 cut resistance standard.
- 2 Sandy nitrile palm coating is ANSI abrasion level 4 resistant.
- 3 Touchscreen capable palm coating.
- 4 Reinforced thumb saddle for added durability.
