

CASTELPRILE

MAREMMA  TOSCANA

2021 CASTELPRILE BIANCO RISERVA MAREMMA TOSCANA DOC

The logo represents the fluid, the essence of the ancient costal lake of Prelius, what now is known as the Maremma Toscana around Grosseto. The lake has slowly disappeared also due to the drainage of the 30s and now the only fluid that's left is the excellent wine making tradition of the region. The vineyards of Castelprile are located on a hilltop along the shores of the ancient lake, five miles from the sea facing the majestic Tuscan Archipelago.

COMPOSITION	100% Vermentino
VINEYARDS	Prile
ACRES PLANTED	2 hectares (4.94 acres)
VINE AGE	2001-2004
SOIL	Sand (80%), clay (15%), silt (5%) and gravel
ELEVATION	37-52 meters (120-170 feet)
EXPOSURE	South-southeast
DENSITY	3,500-4,000 vines/acre
TRAINING	Guyot
VINTAGE NOTES	The 2021 vintage will be remembered for the frost that hit Maremma, Tuscany on April 8, causing serious damage to the premature grapes. April and May were notable for lower than average temperatures and low rainfall. The summer was very hot and there was little rain. The harvest began a little earlier than expected.
HARVEST DATES	August 30
BARREL AGING	Vinification in French oak barrels and tonneau used with integral lees until June 2021, subsequent decanting and bottling
CASE PACK	6/750 ml
ALCOHOL	14%
TA	5.9 g/L
RS	0.6 g/L
TASTING NOTES	
Color	Bright vivid straw yellow
Nose	Typical hints of aromatic herbs of Vermentino blended with an expression of wild flowers and sweet spices
Taste	Full and harmonious, notes of wild flowers and herbs accompanied with hints of almond on the finish, which is long and notably savory.
