

AERO 8 Plus / 15 Plus

TASKI® Aero 8 PLUS and 15 PLUS

The TASKI AERO 8/15 PLUS high-efficiency vacuum cleaner uses state-of-the-art technology and has a super-efficient motor. With the patented TASKI whisper technology, the vacuum cleaner works ultra-silently. Based on a symbiosis of technology and functional design, the PLUS series offers unmatched ease of use combined with a unique range of features. What's more, replacement of parts such as cables and filters is simplified by clever design and can be carried out by the user in seconds without the need for any tools.

Features & Benefits

- The new TASKI AERO tub vacuum cleaners are highly efficient and use a 585W state-of-the-art vacuum motor, which delivers the same cleaning performance as vacuums with 900W or more.
- The TASKI AERO PLUS has an ECO button which reduces energy consumption to 295W, saving significant amounts of energy and reducing CO2 emissions without compromising on cleaning results.
- Thanks to an innovative and patented TASKI whisper technology system, the TASKI AERO is extremely quiet. This low noise level means it can be operated in any environment at any time of day or night.
- The TASKI AERO PLUS has an ergonomic design that is unmatched, with a foot pedal switch, two park positions and a high-quality user-friendly accessories set as standard.

Applications

- **Hospitality and Healthcare** - Offers a highly efficient, low noise product to support the comfort of guests
- **Building Service Contractors** - Offers an ultra low noise product which allows for a wider range of daytime cleaning
- **Private and Public Sectors** - Offers a highly efficient, low noise product to support the comfort for the environment

AERO 8 Plus / 15 Plus

Technical data

Canister capacity	3.5 gal. / 4 gal.	Working radius	52.5 ft.
Bag type (fleece/paper)	Both	Cable length	41 ft. (with cable drum)
Nominal consumption	585 W	Hose length	7 ft.
Voltage	220/240 V	Suction tubes	Metal telescopic
Weight with cable	17 lb. / 17.5 lb.	Floor tool width	11 in.
Sound pressure level (ECO)	50 dB(A)	Dimensions	16.5 x 12 x 15 in. 16.5 x 12 x 16.5 in.
Sound pressure level	53 dB(A)	Protection class	Class II
Sound power level (ECO)	60 dB / 59 dB	Hepa option	Yes
Sound power level	63 dB / 62 dB	Approvals	Tüv/SEV/CE
Vacuum	17.41 kPa	Max air flow	33 l/sec
Filtration (stages)	3
