

Grab Bars

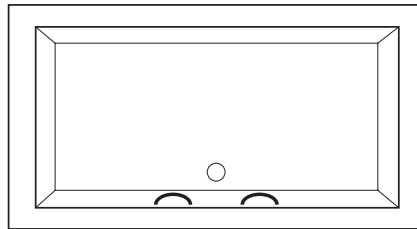

Enhance accessibility and safety within and around the bath with grab bars. Grab bars are available for most models of tubs and may be added to the flat inner wall of the tub. MTI will install the grab bars in the best possible location unless otherwise specified by the customer.

Curved Acrylic - 9" (set of 2) (GB) **\$360**
Color Matched to Tub (white or biscuit)

Curved Metal - 9" (set of 2)
Chrome (GBMC) or Brushed Nickel (GBMBN) **\$400**

NOTE: on center drain tubs, grab bars are placed on the front wall, positioned to the left and right of the overflow, as shown in the drawing to the right.

Personalized placement of grab bars may be available. Variations in tub design may limit location of grab bars. Contact Customer Service for placement options.
