! NOTICE

Please retain these instructions for future reference.

- Please do not exceed the weight limitations of this item.
- Do not stand on or use any part of this item as a step ladder.
- Firmly secure all bolts, screws, and knobs before use.
- Reconfirm that all bolts, screws, and knobs are secure every 90 days.
- Fasten screws loosely during initial assembly. Do not firmly tighten the screws until the item is completely assembled.
- Do not use or store this item in the proximity of open flame or flammable/combustible chemicals.
- To prevent swelling or warping, wipe away any excess water on the surfaces of the product
- Be aware that some parts are heavy and have sharp edges.
- If any parts are missing, broken, damaged, or worn, stop using this product until repairs are made and/or factory replacement parts are installed.
- Do not use this item in a way inconsistent with the manufacturer's instructions as this could void the product warranty.
- This product is intended for residential use only.

PRODUCT ASSEMBLY

1

Insert four **part D dowels** into two **part 7 middle dividers**, two dowels per divider. Attach it to one **part 6 cabinet shelf**.

2

Insert four **part D dowels** into the two **part 7 middle dividers**, two dowels per divider, then attach them to a second **part 6 cabinet shelf** used in the previous step.

PRODUCT ASSEMBLY

3

Locate the **part 2** and **part 3** left and right cabinet sides, then insert four **part A** cam bolts into each, eight cam bolts total.

4

Insert two **part B** cam locks into the tops of the **part 6** shelves, four cam locks total.

Insert two **part C** dowels into the side of the **part 6** shelves, then attach the **part 3** cabinet right side, turn the cam locks to secure, then cover each lock with one **part J** cam lock cover.

PRODUCT ASSEMBLY

5

Insert two **part B** cam locks into the tops of the **part 6** shelves, four cam locks total.

Insert two **part C** dowels into the side of the **part 6** shelves, then attach the **part 2** cabinet left side, turn the cam locks to secure, then cover each lock with one **part J** cam lock cover.

6

Attach the **part 4** and **part 5** top dividers to the "top" **part 6** shelf.

PRODUCT ASSEMBLY

7

Locate the **part 1 cabinet top**, then insert eight **part A cam bolts**.

8

Insert two **part C dowels** and two **part B cam locks** each into the top of the **part 2**, **part 3**, **part 4**, and **part 5 panels**, eight dowels and eight cam locks total.

Attach the **part 1 top panel**, then turn the cam locks to secure.

Cover each cam lock with one **part J cam lock cover**.

PRODUCT ASSEMBLY

9

Attach two **part 8 bottom dividers** to the “bottom” **part 6 shelf**.

10

Insert two **part C dowels** each into the bottom of the **part 2**, **part 3**, and **part 8** panels, eight dowels total.

Attach the **part 9 cabinet bottom**, then secure with eight **part E wood screws**.

PRODUCT ASSEMBLY

11

Attach two **part 11** base frame connectors to two **part 12** base side frames with four **part F** bolts.

12

Attach the **part H** foot caps.

PRODUCT ASSEMBLY

13

Attach the bottom assembly to the **part 9 cabinet bottom** with ten **part G bolts**.

14

If desired, use a hammer to attach three **part 10 back boards** with thirty-two **part I wood nails**.

PRODUCT ASSEMBLY

1. Attach the **part L mounting straps** to the **part 1 cabinet top** with two **part P small screws**.
2. Select an appropriate location, then mark two spaces on the wall using the **part L mounting straps** as guides. Use a drill on the marked spaces.
3. Insert two **part N wall anchors** into the new holes in the wall. Overlap the holes with the mounting straps, then attach the cabinet to the wall by drilling two **part M wall anchor screws** through the **part O washers**, **part L mounting straps** and into the **part N wall anchors**.

Returns & Refunds

PRODUCT WARRANTY INFORMATION

All items can be returned for any reason within 60 days of the receipt and will receive a full refund as long as the item is returned in its original product packaging and all accessories from its original shipment are included. All returned items will receive a full refund back to the original payment method. All returned items will not be charged a re-stocking fee.

All returned items require an RA (Return Authorization) number, which can only be provided by a Best Choice Products Customer Service Representative when the return request is submitted. Items received without an RA may not be accepted or may increase your return processing time. Once an item has been received by Best Choice Products, refunds or replacements will be processed within 5 business days.

All returns must be shipped back to the Best Choice Products Return Center at the customer's expense. If the reason for return is a result of an error by Best Choice Products then Best Choice Products will provide a pre-paid shipping label via email. Boxes for return shipping will not be provided by Best Choice Products, and is the customer's responsibility to either use the original shipping boxes or purchase new boxes.

Pictures may be required for some returns to ensure an item is not damaged prior to its return. Items returned are not considered undamaged until they are received by Best Choice Products and verified as such. All damages to items are the customer's responsibility until the item has been received by and acknowledge by Best Choice Products as undamaged.
