

DRAIN STRIKE™

EMERGENCY DRAIN OPENER

Strike Hard, Strike Fast

Drain Strike is a professional-strength drain opener designed for tough clogs in **sinks, bathtubs, and showers**. Fast-acting virgin sulfuric acid works in minutes, leaving drains clear and flowing freely. Rely on it to work effectively the first time, so you can avoid costly callbacks. Tough clogs are no match for the hard-hitting power of Drain Strike.

Easy on Plumbing

Drain Strike hits clogs hard, but it won't overpower plumbing. It will not harm PVC or metal pipes, septic tanks or cesspool systems when used as directed.

Safety First

THIS IS A VERY STRONG PRODUCT. Protective equipment is needed for safe use. Read entire label prior to using this product.
