Adcraft Cotton Candy Machine, 21" Diameter, Stainless Steel Bowl, Manual Control, in Pink

COTND-21

Designed for concession stands and commercial use, the Adcraft Cotton Candy Machine delivers up to 60 cones per hour with a powerful 1080-watt motor and a 21-inch diameter stainless steel spinning bowl. The manual control system and belt-driven operation provide consistent results, while a removable bowl and included floss stabilizer net with 6 clips simplify production and cleaning. Operates on standard 120V with a user-friendly NEMA 5-15P plug, and comes in a vivid pink finish for visual appeal.

Features and Construction

- Sturdy stainless steel spinning bowl and iron Q235 base provide lasting durability and easy cleaning
- Food contact surfaces are BPA-free and PFAS-free for safe operation
- Designed for consistent heat and reliable production up to 60 cones per hour
- 21-inch bowl diameter enables high-capacity spinning for event-scale service
- Removable bowl and floss stabilizer net with 6 netting clips allow fast cleaning between batches
- Manual controls and included spoon and strap support precise, ergonomic operation and transport
- Belt-driven system and two replacement belts ensure consistent performance for continuous use
- Overall dimensions are 21 inches wide by 21 inches deep by 16 inches high, weighing 24 lbs
