BioAdvanced Science-Based Solutions Carpenter Ant & Termite Killer Plus Concentrate

EPA Reg. No. 92564-24

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Spotted Lanternfly, mix concentrate and water and apply. Pump Style Sprayers: adjust nozzle to a coarse spray pattern and apply. Occasionally re-pressurize if needed. Dial-style hose-end sprayers. Attach sprayer to hose and apply.

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.
