Directions for use: Remove all of the packaging.

Lift off the water tank from the spray mop and unscrew the cap.

Prepare a solution of water and detergent/disinfectant (according to the detergent manufacturer's instructions) and then add it to the water tank.

Replace the cap and push the water tank onto the spray mop.

Press the trigger on the handle to operate the spray function.

The spray bottle should be emptied and cleaned after every use.

Caution: Not suitable for use with bleach.

Do not fill the water tank with hot or boiling water.

Use only on cool surfaces.
