Setup and charging with the CONNECT Dock

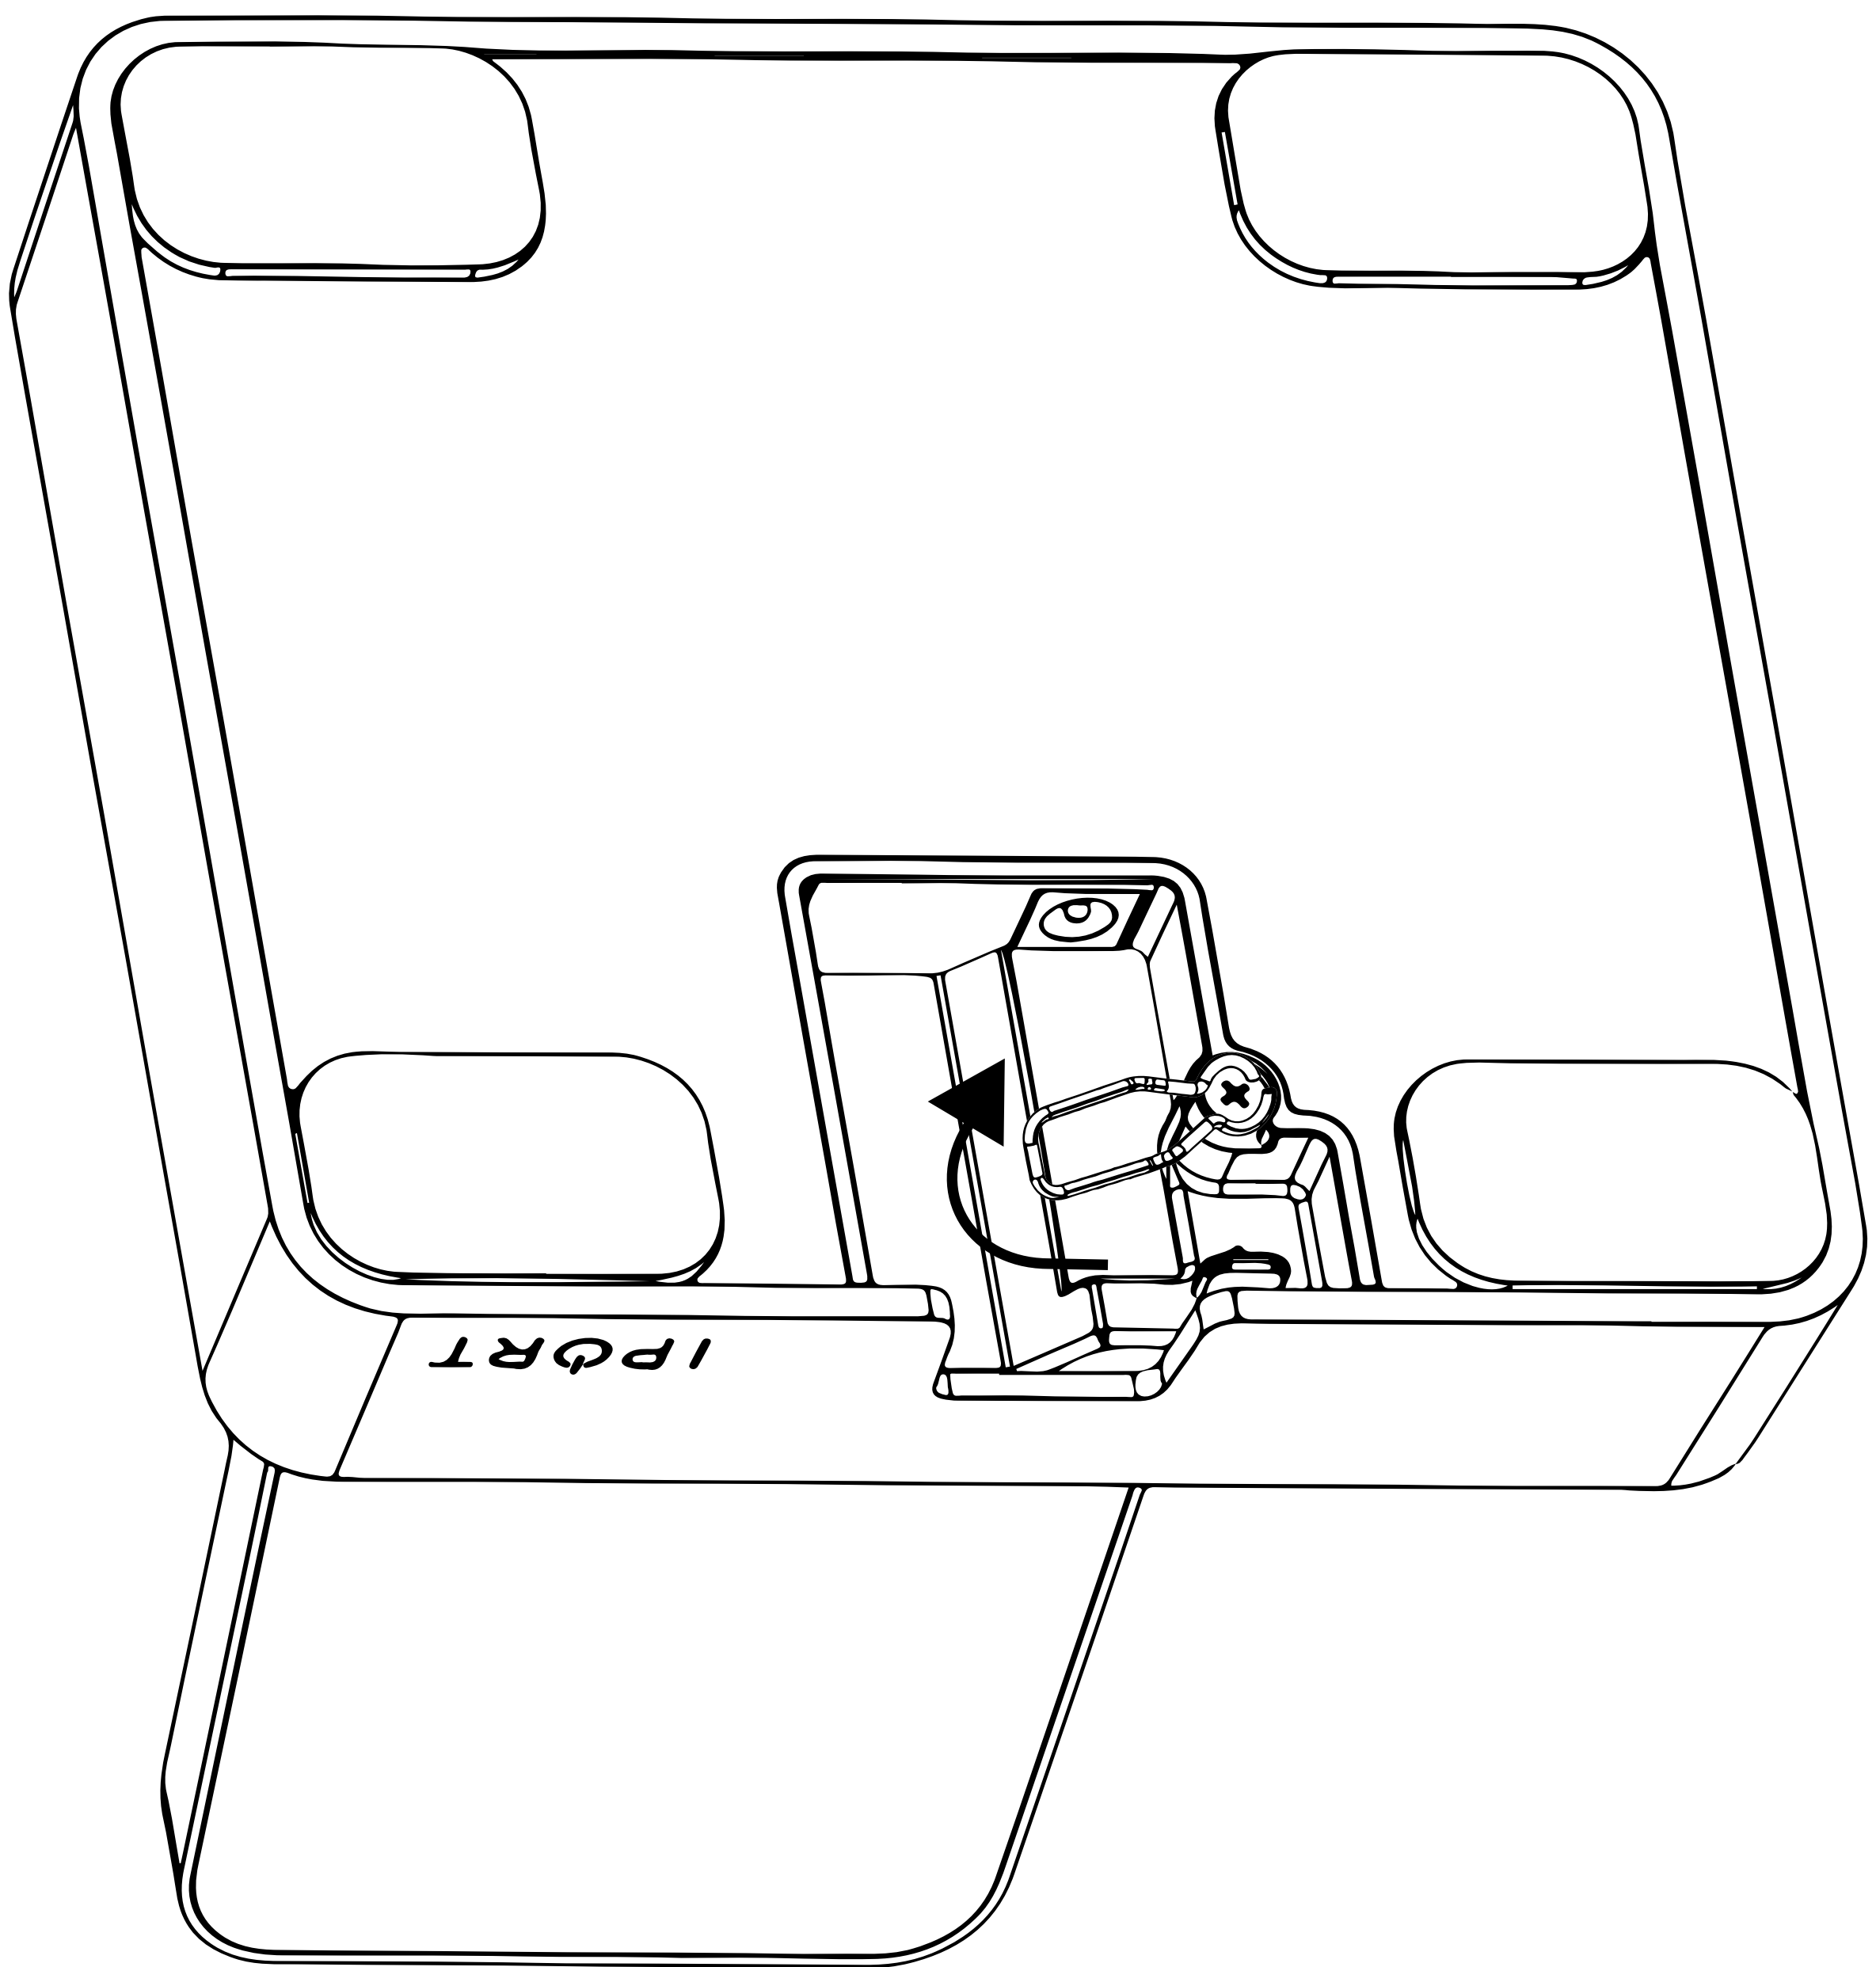

1. Remove the **CONNECT Dock** and power supply from the packaging.

I PORT CONNECT PHONE

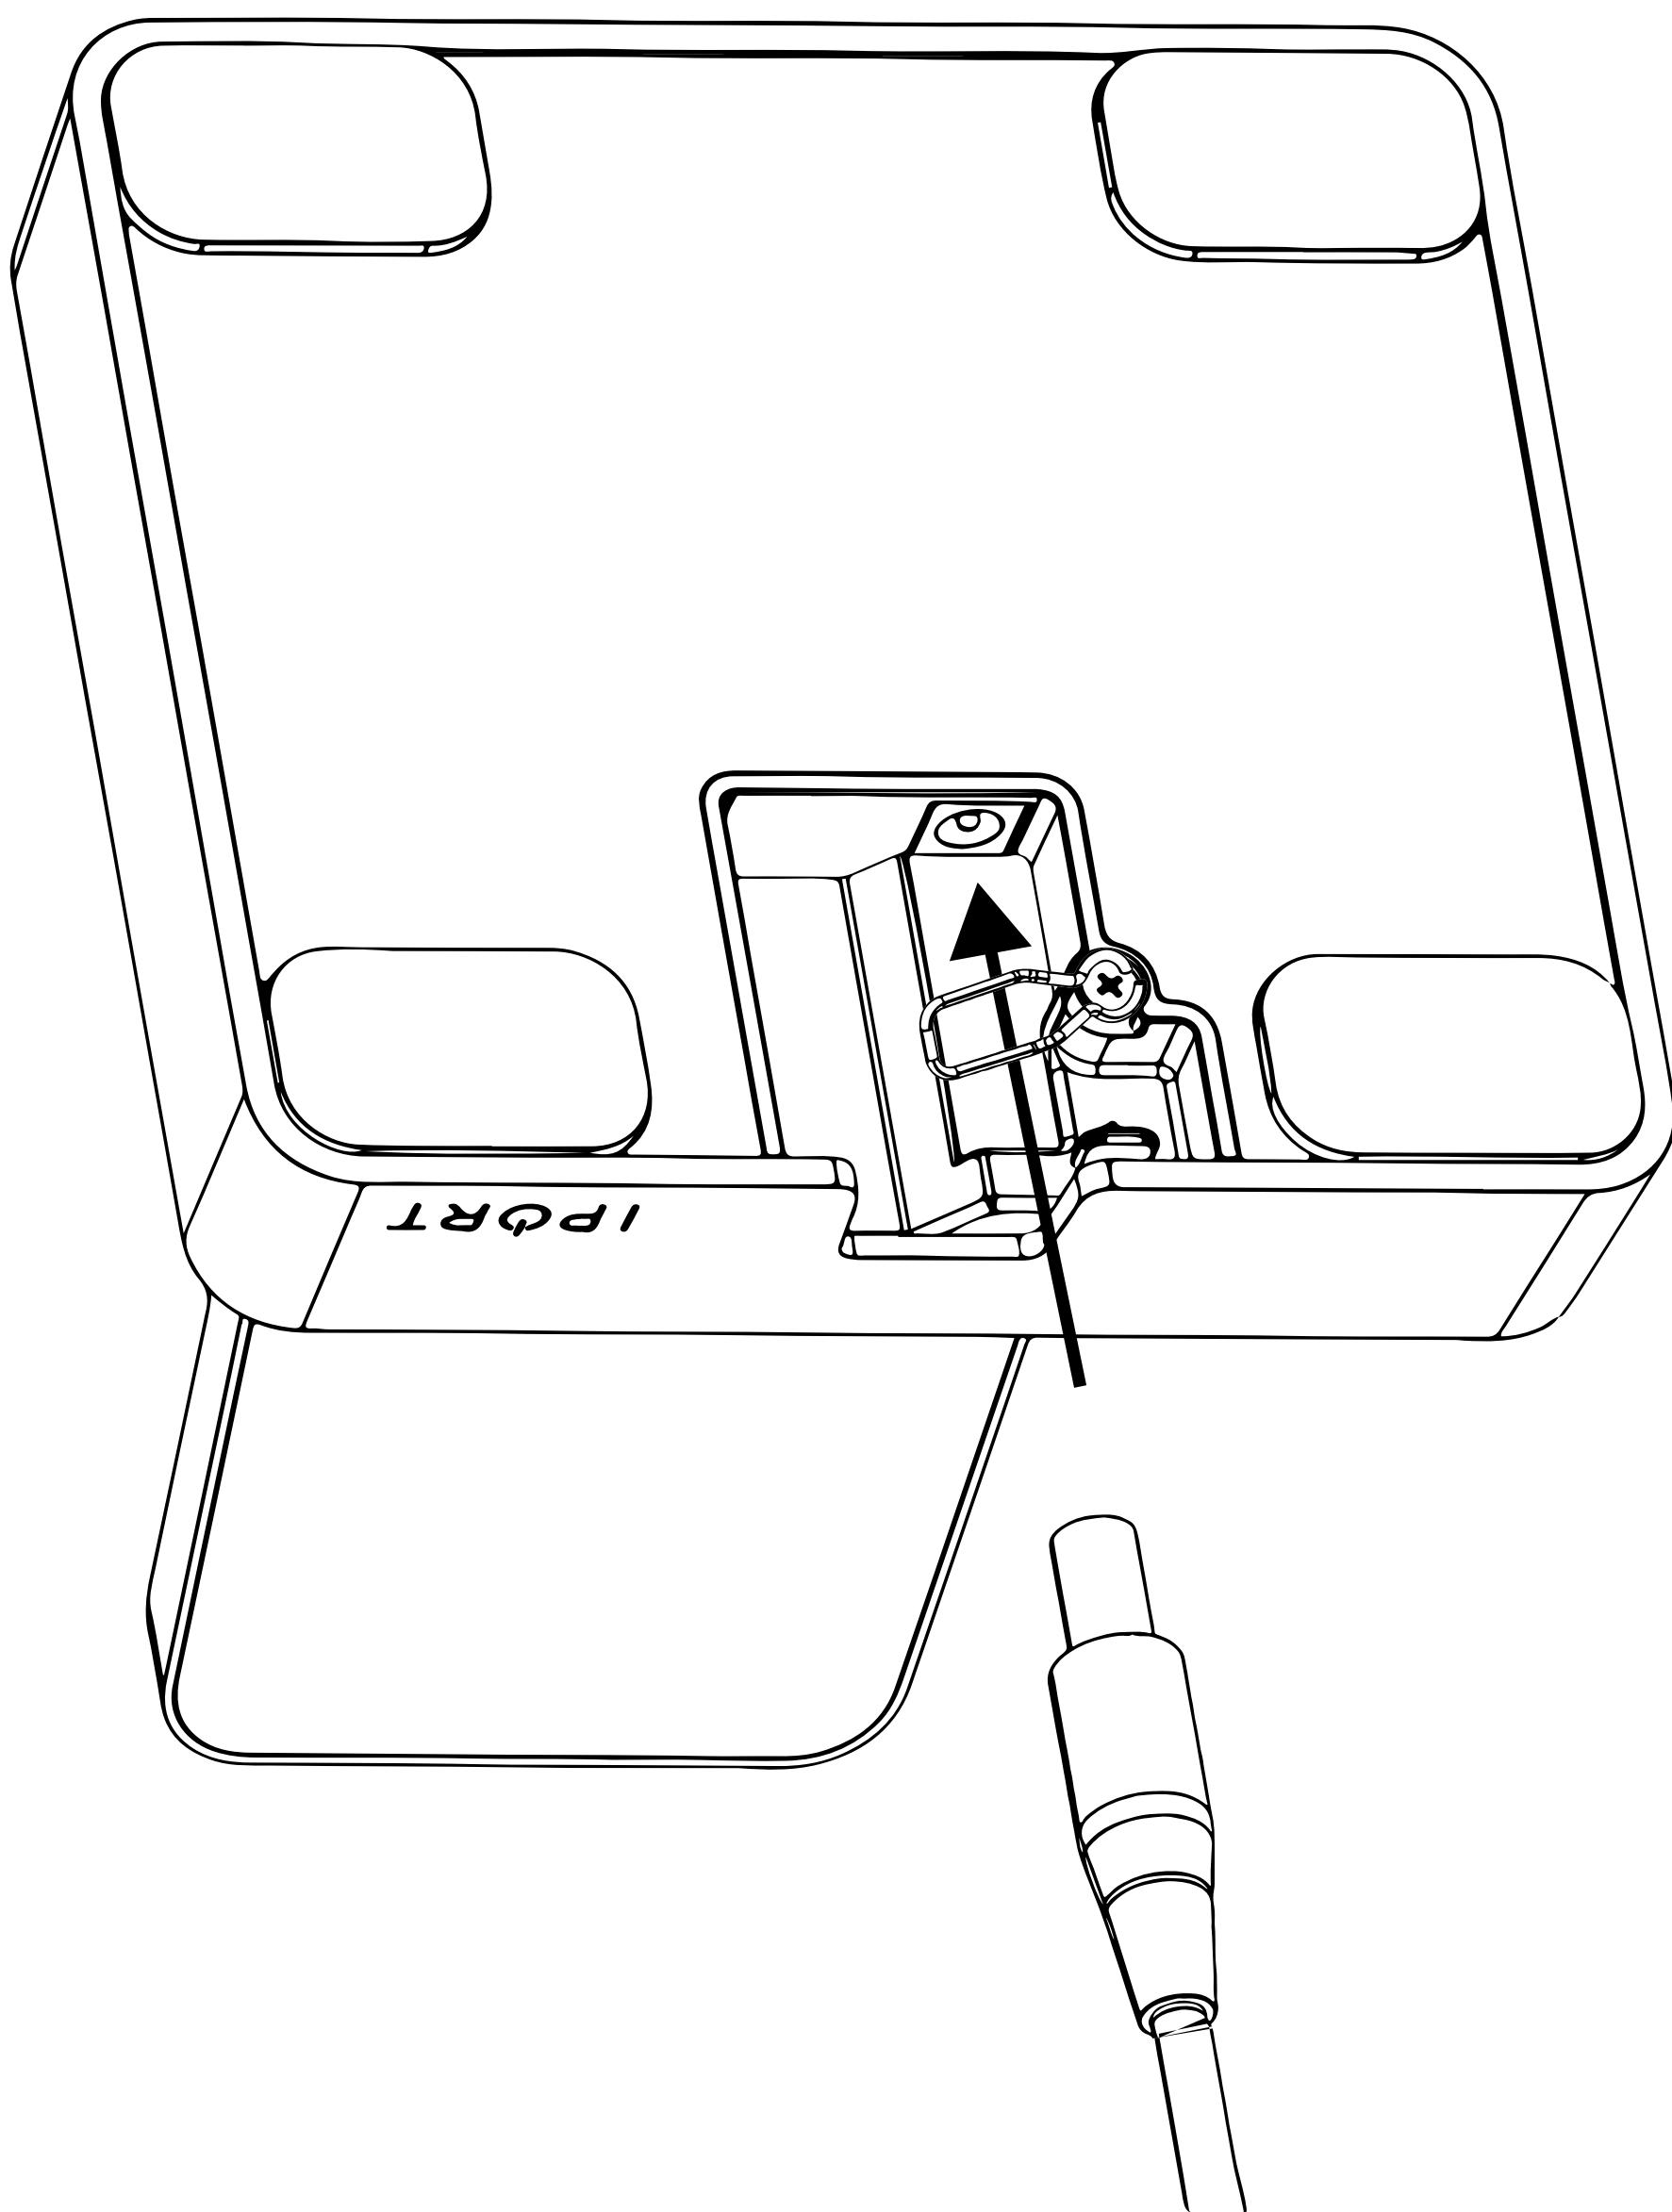

CONNECT PHONE CASE

2. Turn over the CONNECT Dock and rotate the cable retention clip toward the left.

CONNECT PHONE CASE

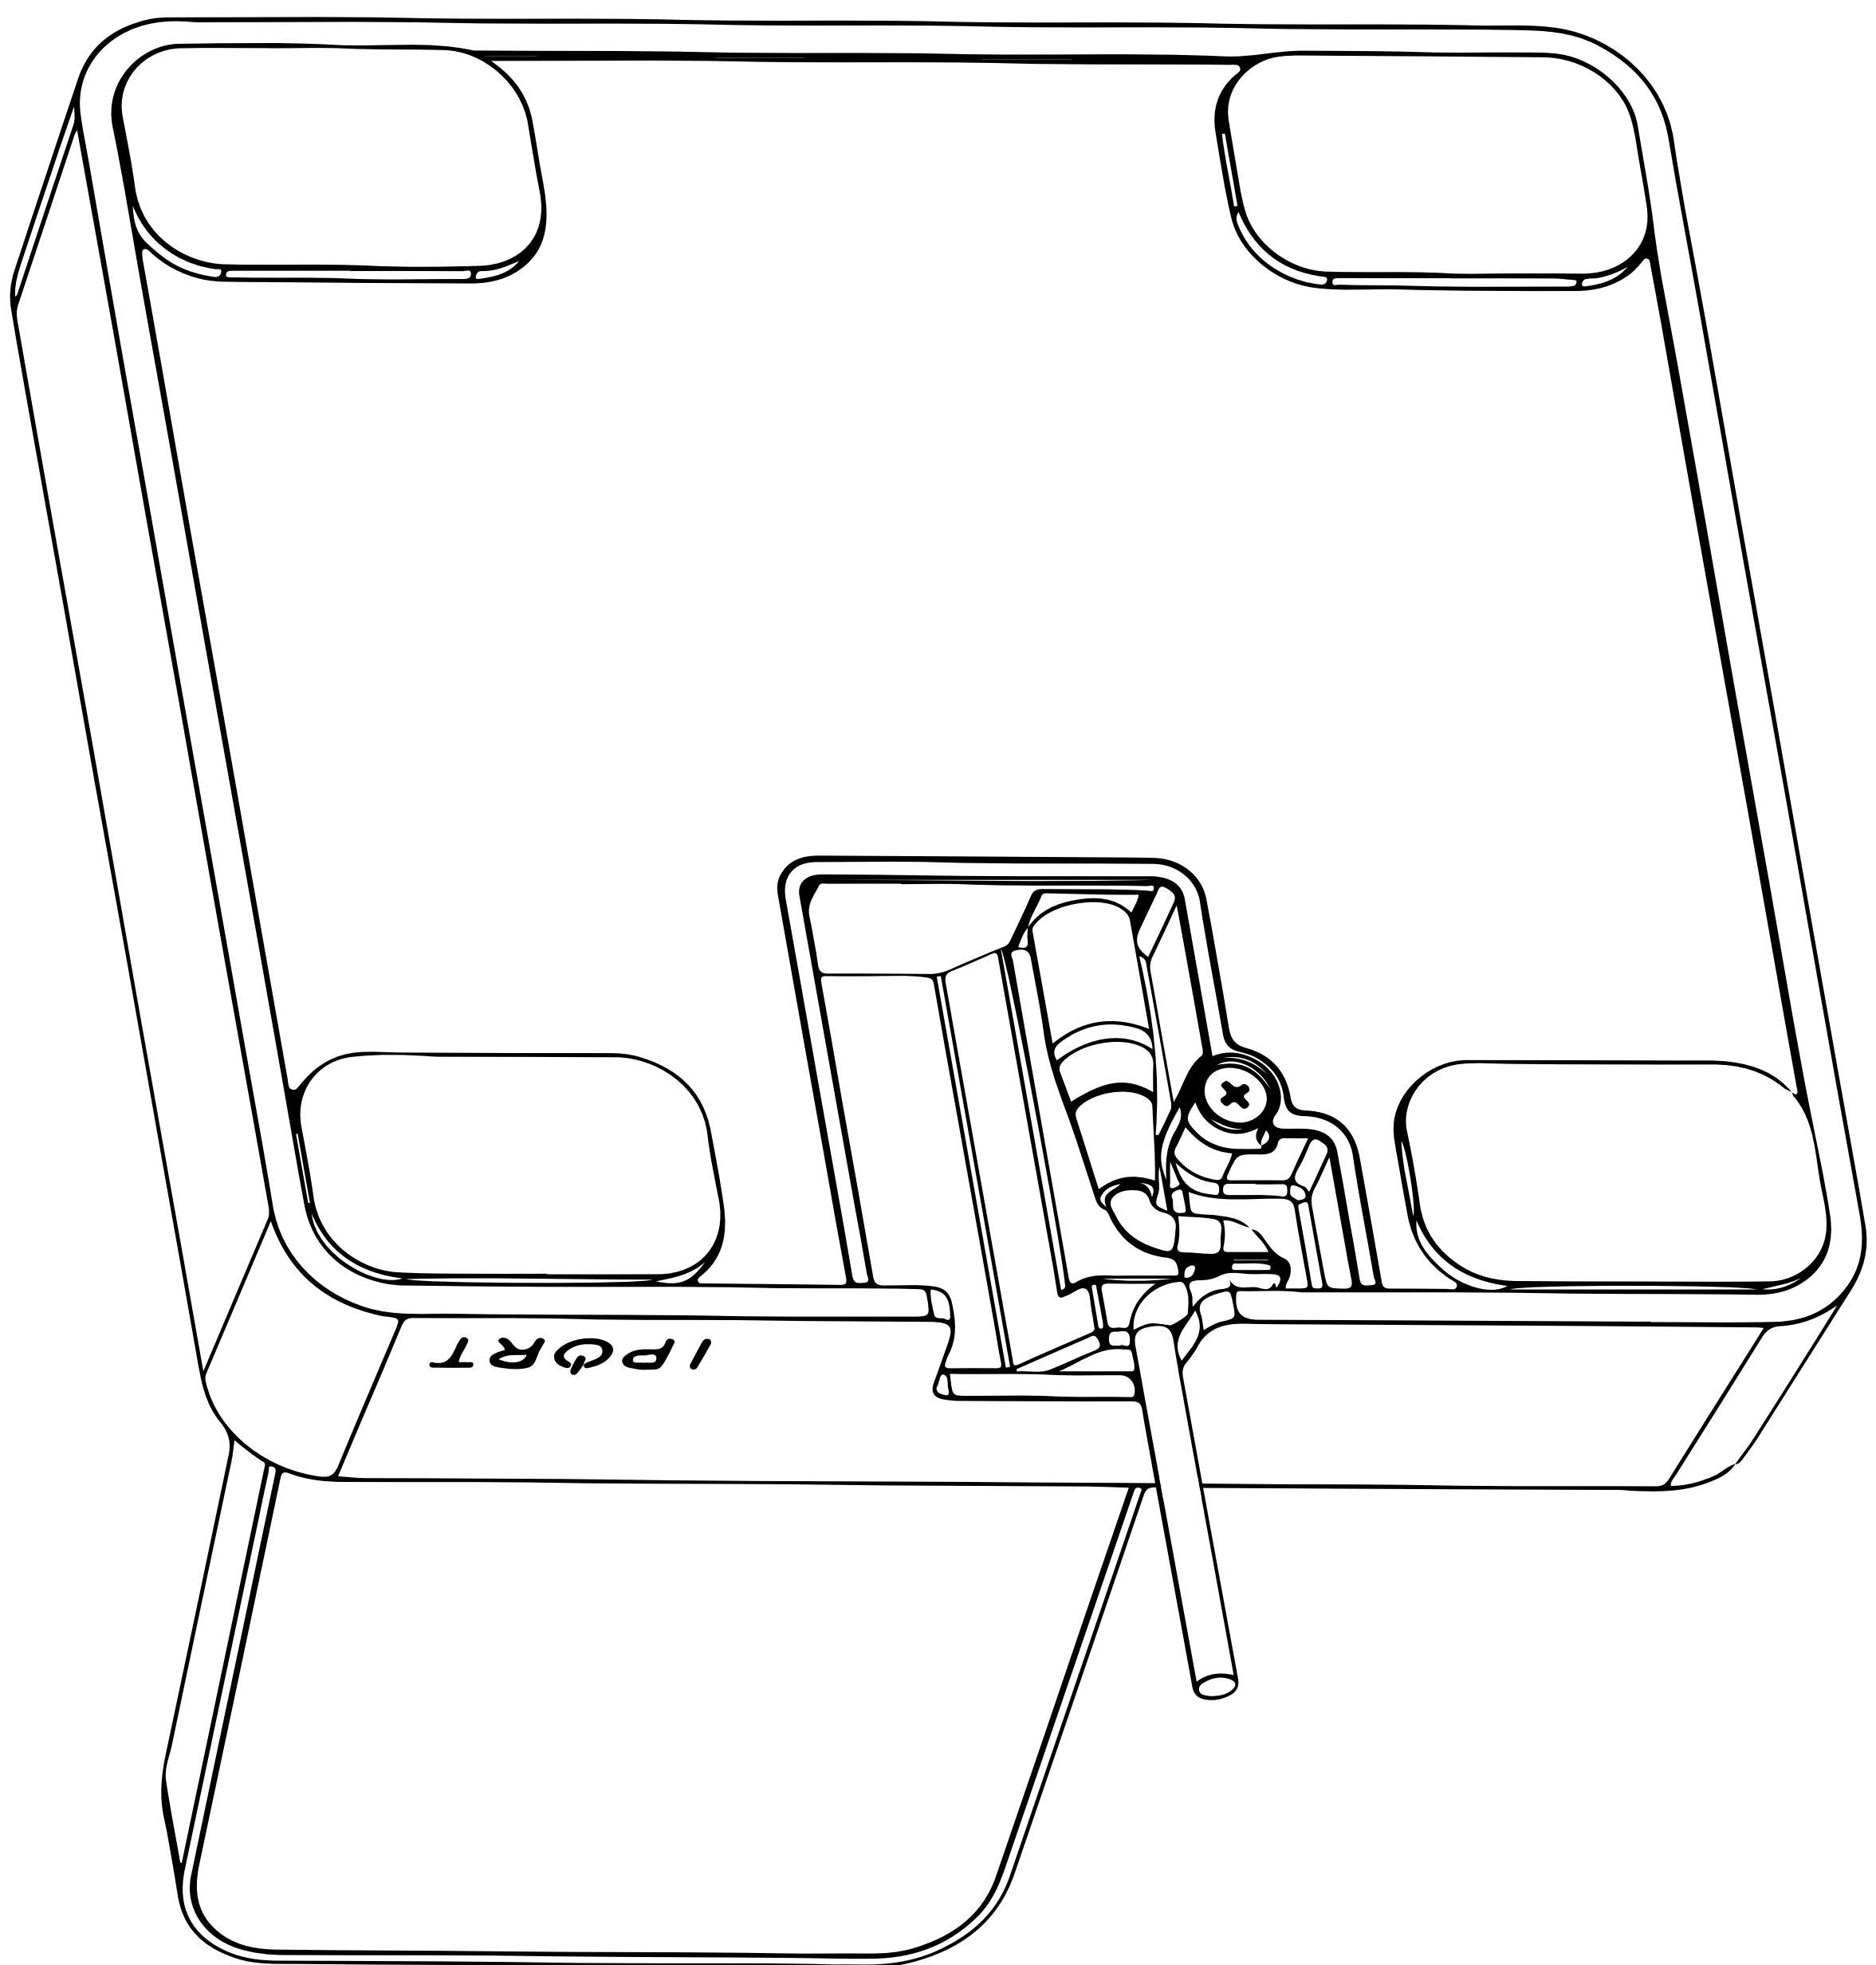

- 3. Insert the power supply barrel connector into the CONNECT Dock, making sure to first run the cable under the cable retention clip and then into the barrel connector.**

I PORT CONNECT PHONE

CONNECT PHONE CASE

- 4. Position the power cable around the retention loop, rotate the cable retention clip to the right, and lock in the power cable. Rotate the Dock back and place it in your desired location. Plug the power supply into an electrical outlet.**
