CARE AND USE

Max. weight capacity: 5 kg.

Please retain instructions for future reference.

USING THE OVERDOOR AIRER To prevent damage to the door, apply the four adhesive pads to the hooks.

The position of the pads will depend on the dimensions of the door.

The adhesive pads can be trimmed to fit as required.

Remove the hooks and airer when not in use and store.

CAUTION The door may not close fully whilst the hooks are attached.

Check that the adhesive pads are applied to the inside of the hooks before attaching to the door to prevent damage.
