

- Before the end of each turn, players should draw Cards from the draw pile as necessary to have six Cards in their hands.
- Play continues clockwise as players play an Action Card, pick up and discard Cards until one player has collected all five Gifts on that player's Wish List Card. When a player has collected all five Gifts, the round is over. The Scorekeeper tallies each player's score for the round, and all players return their Wish List Cards to the Wish List pile.
- To begin a new round, each player selects a new Wish List Card from the Wish List pile, and the winner of the preceding round begins the new round.

Scoring:

At the end of each round, the scorekeeper tallies players' scores. Players receive one point for each collected Gift that matches the Gifts on their Wish List Cards.

Winning the Game:

The game ends when one player earns 15 points after multiple rounds of play. In the case of a tie, tying players play a final round to determine the winner.

with a dash of
Reindeer Poop!**

Instructions

Contents:

72 Cards (50 Gift Cards, 12 Action Cards, 10 Wish List Cards)

Object of the Game:

Be the first player to earn 15 points by collecting Gifts on your Wish List Cards.

Set Up:

1. Gather all the Wish List Cards and have each player choose one.
2. Players choose a Wish List Card before each round and set the remaining Wish List Cards aside. Wish List Cards detail which Gift Cards players need to collect throughout the round. (*Wish List Cards do not count as part of a player's total Card count in hand.*)
3. Choose a scorekeeper for the game.
4. Choose a dealer to shuffle the remaining Cards and deal six Cards to each player.
5. The dealer places the deck face down in the middle of the table to create a draw pile.
6. The dealer turns over the top Card from the draw pile to create a discard pile. (*If the top Card is an Action Card, place that Card back into the middle of the draw deck and keep turning Cards until a Gift Card appears.*)

The Action Cards:

Action Cards are played as follows:

Reindeer Poop Card: A magical wild Card. It can replace any Gift on the player's Wish List Card.

Holiday Heist Card: A player may steal any Card from any player's hand. The selected player holds up their hand, while the Action Card holder picks a Card without looking.

White Elephant Card: All players pass any Card face down to the player to their left.

Select from Santa's Sleigh: A player may pick any Gift Card that has been placed in the discard pile. The player may look through the entire pile.

Playing the Game:

1. The first player to name their favorite holiday movie goes first.
2. On every turn, players can do the following:
 - Play any one of their Action Cards (*players do not have to play an Action Card from their hand if they do not want to*). If they do, the Action Card must be played first.
 - Select the top Card from either the draw or discard pile. Discard any one Card from their hand to the discard pile.
3. When playing an Action Card:
 - A player can play one Action Card from the player's hand. Played Action Cards are placed in the discard pile and cannot be drawn by other players. Once the Action Card has been completed, affected players should draw back to six Cards in their hands from the draw pile.
4. Drawing and Discarding Cards:
 - Player may pick up a Card from either the draw or discard pile and discard one Card.
 - If a player chooses to discard an Action Card without performing the action, the next player may draw that Card into their hand to be used later.
 - If a player draws an Action Card and decides to play it immediately, that counts as that player's draw and discard.
