PRODUCT SPECS

CHICAGO PROTECTIVE APPAREL

625-STYLE MEDIUM BLUE VINEX® WORK SHIRT

Molten Aluminum Splash Protection • 625-FR9B-MB

GARMENT FEATURES

- Button-down front closure
- Two chest pockets with flaps and button closure
- Button closure at cuffs
- Made from 6 oz. medium blue Vinex®
- Provides molten aluminum protection

BENEFITS & APPLICATIONS

- Vinex® is a blend of 85% vinyl and 15% polynosic rayon
- Engineered in response to the need for a lightweight fabric resistant to molten aluminum splash
- Inherently flame resistant and will retain its FR properties throughout the service life of the garment
- Very lightweight, breathable, and comfortable
