IDEAL FOR HIGH INFECTION AND HIGH TRAFFIC AREAS

Disposable privacy curtains make a great solution for high infection and high traffic areas, including ICU, Emergency Department, Burn Unit, Dialysis, and more because curtains can be changed out frequently and easily. Labels on each curtain make it easy to keep track of when the curtain was put up.

INVENTORY MANAGEMENT AVAILABLE

Our disposable curtains can be paired with our CubeControl® Curtain Management App. Curtains can be quickly scanned to improve inventory management, confirm compliance with facility cleaning frequency policy, and promote a cleaner environment for patients and staff.
