STUDY CARRELS

KEVIN STARTER STUDY CARREL IN NEBULA GREY FINISH

SKU:

MT-M6201-GY-GG

UPC:

847254021821

- **STARTER STUDENT STUDY CARREL UNITE:** Provides a quiet, private, and flexible study or work area in any library, commercial testing center, computer lab, classroom, or even homeschooling environments
- **SPACIOUS WORK AREA:** Spacious, smooth 0.6875" thick thermal fused laminate table top offers plenty of room for your students to spread out their assignments, open textbooks, or work on a computer or flat screen monitor
- **PULL-OUT KEYBOARD TRAY:** Features a space-saving pull-out keyboard tray that helps keep the desk free of clutter so students have more working space
- **ERGONOMIC FEATURES:** Wire management grommet helps you keep cords out of the way and organized as you work, and the sturdy legs feature self-leveling glides to give you a stable, level surface to complete your tasks
- **CREATE A ROW OF STUDY CARRELS:** Measures 32.625" W x 24.4" D x 49.625" H, and you can easily create a row of study carrels by purchasing add-ons to construct an area for users to have their own personal and private study space
