

## CLEARNIT LICE AND NIT TREATMENT

ClearNit Lice and Nit Treatment is designed to eliminate lice and nits while maintaining the safety and comfort of users of all ages. This hypoallergenic treatment effectively dissolves nit glue, allowing for easy comb-out of eggs. Its non-dripping, plant-based formula makes it simple to apply on dry hair without mess or irritation. Free from pesticides, fragrances, and harsh chemicals, this treatment supports a clean and shiny finish after use.
