LEVITON®

Switch with Wi-Fi Technology

decora smart™

APPLICATION
Control connected loads and lights from anywhere using Wi-Fi, an internet connection and the free My Leviton app; that is all you need, no hub required. Simplify control of the residence - schedule lights and connected loads to turn on/off at specific times or based on sunrise/sunset, easily group smart devices into rooms, and create scenes to activate multiple lights at once.

Integrates with IFTTT. Utilize auto-shutoff feature as a countdown timer in closets, hallways and bathrooms. Engage home vs. away to enact randomization of lighting control, providing a lived-in appearance. Supports LED and CFL technologies up to 600 Watts, incandescent lighting loads up to 1800 Watts, along with support for Fluorescent, Resistive, and Motor loads.

WORKS WITH AUGUST DOOR LOCKS
Utilize August's auto-unlock feature to run My Leviton lighting Activities when you return home.

WORKS WITH IFTTT (IF THIS THEN THAT)
Use the free IFTTT service to connect your My Leviton devices with other Internet Of Things (IoT) enabled devices & services to create a smarter home automation experience.

AMAZON ALEXA VOICE CONTROL
Compatible with all products that support Amazon Alexa providing voice control of the load: "Alexa, turn on living room lights". Alexa devices sold separately.

GOOGLE ASSISTANT VOICE CONTROL
"Ok Google, turn [My Leviton device name] On". Works with the Google Assistant. Google Home is a voice enabled speaker powered by the Google Assistant. Easily control smart devices around the home. (Google Assistant devices sold separately).

AESTHETICS
Switches leverage the popular Decora brand styling, along with compatible accessories including three-way devices, color change kits, and wallplates. The switches feature true rocker action, pressing the top to turn on and the bottom to turn off. To meet any decor, color change kits are available in white, ivory, light almond, gray, black, and brown. For the most professional and cleanest installation, pair the device with an optional Leviton screwless wallplate.

BENEFITS
- Control your lights from anywhere using the free My Leviton app for iOS and Android, no hub required.
- Amazon Alexa products provide voice control: "Alexa, turn on living room lights".
- Works with Google Assistant including Google Home for voice control. "Ok Google, turn [Google room name] On"
- Works with August – Utilize auto-unlock to run Activities when you return home
- Integrate with IFTTT for additional third-party functionality
- Simplify control of your home - schedule lights and connected loads to turn on/off at specific times or based on sunrise/sunset, easily group your smart devices into rooms, and create scenes to activate multiple lights at once.
