

INVACARE® WALKERS AND ROLLATORS

Yes, you can.®

Invacare® Walkers

With the Invacare Walker, providers, clinicians and consumers gain the stability they need at an economical price. Invacare Walkers offer a wide, deep frame with a large number of height adjustments and are offered in junior and adult sizes. The walker has a lower side brace for added stability and is stable, lightweight and easy to lift and maneuver. Walkers include PVC handgrips that provide comfort and long-lasting wear and anti-rattle silencers for quiet operation.

Invacare® I-Class™ Paddle Walker Features

Composite lower side brace stiffens walker frame and adds stability

Folding mechanisms are easy to reach from a seated position

Lighter and easier to lift and maneuver

PVS handgrips wear longer and provide greater comfort

Walkers fold easily for transport or storage
