- **24" ROUND WOOD COCKTAIL TABLE:** A must have for DIY and professional decorators hosting events that also offers an exciting way to enjoy a meal at home if a standard height dining table doesn't cut it for you
- **ADJUSTABLE COLUMN OPTIONS:** Two 30" and 42" column options allow you to optimize your resources when setting up different events or change the column height to transition from your kitchen to the game room bar
- **DURABLE AND STYLISH:** Quadruple coated 24" round birchwood tabletop with a heavy-duty black PVC edge adds elegant style to any environment and withstands years of quality use
- **FIXED FLOOR GLIDES:** Sturdy aluminum base features fixed floor glides that also make it easy to move the table from room to room or around the venue
- **SEATS UP TO 2 ADULTS:** Adjustable table measures 24"W x 24"D x 30-42"H to comfortably seat up to 2 adults, making it great for rental businesses, banquet halls, restaurants, or home use
