DARE TO BE BOLD™

MODERN OASIS™

PHOTO FEATURES MODERN OASIS™ IN SOFT CLOUD

Monochromatic shadings and texture resembling windswept sand dunes define the contemporary limestone vibe of MODERN OASIS™. Rich, realistic graphic variations – linear to swirl – effortlessly flow from piece to piece in calming, organic shades. Dual-sized porcelain planks with flat surfaces, clean, straight edges and a controlled, neutral palette juxtapose strikingly with bolder elements of wood, glass and stone.
