Presentation

French Cancan is an elegant sparkling wine that pays tribute to the rich tradition of French winemaking with a modern twist. Crafted from sun-drenched vineyards, its fine bubbles rise gracefully to the surface evoking the lively twirls of the traditional Cancan dance. Perfect for celebrating life's moments, or simply savoring a taste of the French art de vivre.

Vinification & ageing

Grapes with a perfect balance between sugar and freshness.

Working time from vine to cellar and pressing time are extremely short to preserve aromatic freshness.

Use of reserve wines prepared since 2020.

Aged for 6 months, part of which is spent on lees. The result is an elegant cuvée with fine bubbles.
