

DEWALT

DPG112 MITER™ PROTECTIVE EYEWEAR

The DEWALT DPG112 Miter™ protective eyewear boasts a full-frame design with rubber overmolded flexible temples which ensure a comfortable and secure fit during extended wear. Side vented lenses and temples promote air flow to help address fogging and a rubber nosepiece prevents slippage even in dynamic work environments. A neck cord (not included) attachment point allows users to conveniently secure the glasses when not in use.

**VENTED LENSES
AND TEMPLES**
reduce fogging

**FLEXIBLE RUBBER
OVERMOLDED TEMPLES**
for a no-slip, snug fit

RUBBER NOSEPIECE
for comfortable fit

Flexible rubber temples ensure a snug fit and all day comfort.

Vented lenses and temples add breathability for additional comfort.

Item	Lens
DPG112-1	Clear
DPG112-2	Smoke
