Melton Wall Sconce By Hudson Valley Lighting

Description

Gorgeously shaped cast metal arms in Aged Brass or Polished Nickel hold beautiful alabaster globe shades to create the Melton Wall Sconce's elegant, luxurious design. A soft glow fills the alabaster and accentuates the material's unique veining. Note: Each piece of alabaster is unique, containing its own character with natural veining patterns. As a result, there is no guarantee each piece will match.

Shown in polished nickel / alabaster
