## **Care and use**

Before first use, it is important to hand-wash the cutlery carefully and dry it thoroughly. While this cutlery is dishwasher safe, hand-washing is recommended to preserve its finish. For stubborn stains, use a non-abrasive plastic mesh or pad along with warm, soapy water. Avoid leaving the cutlery to soak in water for extended periods. Additionally, ensure that the cutlery is not stored while wet; instead, keep it in a clean, dry place to maintain its quality.
