Ascent
Smart Locks

Seamlessly integrating smart technology with a sleek design, the Schlage Ascent range of smart locks offers keyless entry, via fingerprint, keypad, key tag or app, ensuring that each home is both stylish and secure.

Enjoy the convenience and peace of mind knowing that homes are protected by a trusted name in security, while also benefiting from the simplicity that smart technology brings to your daily life.

The entire Ascent range is available in two stunning finishes. Black, a cornerstone of contemporary and industrial design trends and Graphite, exuding a sleek aesthetic, making it the perfect refinement choice to any design.

Features

- Simple access including fingerprint, keypad, key tags, app or back-up key (backup key not available onthe Smart Lever variant)
- Easy to set up and program using the Schlage Breeze app, program access codes for temporary or recurring visitors
