

Premiere Products. Exceptional Service.

Since 1920, Elkay® has been manufacturing innovative and award-winning plumbing products with our customers' needs top of mind. Today, we're the brand you can trust to deliver the highest quality sinks, top-of-the-line hydration solutions and reliable **commercial faucets**.

Every Elkay faucet is crafted from optimal-grade materials and engineered for maximum performance. Best of all, we have a commercial faucet for every application — each with the style, functionality and quality associated with the Elkay name.

What you can expect from Elkay commercial faucets:

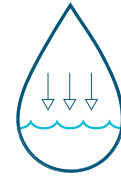

Ideal look and fit:

Spouts available in many styles and sizes, for every application.

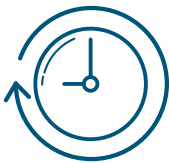

ADA compliant:

Handles meet accessibility requirements, offered in different styles.

Suited for high- and low-flow areas:

Standard 1.5 GPM vandal-resistant aerator with 2.2 and .5 GPM inserts and key.

Long-lasting ceramic disc cartridge:

Quarter turn for smooth operation; built to last longer than standard cartridges.

Durable, attractive finish:

Beautiful, polished chrome stands up to heavy-use environments.

Solid construction:

Made of brass throughout; certified to NSF/ANSI 61 standards.

Plus, all spouts, handles, aerators and disc cartridges* are interchangeable with other brands, making them versatile and easy to replace. Flip through and find the right faucet for your application and installation.

* Not compatible with Elkay Everyday faucets.
