# ***SECURE YOUR LIVELIHOOD™***

## ***MATERIAL STORAGE***

*We've got it*  
**MADE IN AMERICA™**

**Piano Boxes feature shelves, an interior storage grid for hanging items, gas spring guards to protect springs from shifting-load damage, and at-a-glance easy access for small, big and in-between tools, equipment and supplies. This box is ideal for storage and security on the job-site, workshop or in the plant.**

### **PB603049**

- Caster-ready 7-gauge steel skids to accommodate optional casters
- Recessed handles for positive gripping even with gloves on
- Gas spring guards to prevent damage from shifting loads
- Recessed lock housing for protection against theft
- 60" Width x 30" Depth x 48.5" Height
- Casters shown are sold separately

### **PB483048**

- Bi-fold cover folds completely out of the way for unrestricted access
- Fits perfectly in the width of a full-size truck bed
- Heavy-duty hinges are extra durable and resist pry-ins
- 48" Width x 30" Depth x 48" Height
- Casters shown are sold separately

### **PB603034**

- When the cover is closed, PB603034 box can be used as a work table
- Four-way skids allow access from any side, making it easier and faster to transport
- Improved ball stud bracket - added strength reduces the potential for breakage and improves durability
- 60" Width x 30" Depth x 34" Height
- Casters shown are sold separately

## **FO604482**

- Single recessed lock system for protection and ease of access
- Thicker 14-gauge steel bottom provides enhanced structural rigidity, durability and strength, minimizing the possibility of fork lift damage during transport
- Four-way skids allow access from any side, making it easier and faster to transport
- Adjustable and removable split shelves let you organize your storage down below
- Powder-coat finish for superior durability and corrosion resistance
- Dual gas springs for smooth, one-handed lift; One spring locks securely in place
- 60" Width x 44" Depth x 82" Height
- Casters shown are sold separately

## **CC482423**

- Double lock system with one-time lock installation
- Heavy-duty 16-gauge steel construction with fully arc-welded seams
- Four-way skids allow access from any side, making it easier and faster to transport
- Built-in tool tray
- Powder-coat finish for superior durability and corrosion resistance
- Recessed handles for positive gripping even with gloves on
- 48" Width x 24" Depth x 22.5" Height
- Casters shown are sold separately

We've got it  
**MADE IN AMERICA™**

### **CB603065**

- Load capacity 1,200 lbs. evenly distributed
- 16-gauge fully arc-welded steel construction
- Shelves are 14 in. deep with a 1 in. hemmed lip
- Powder-coat finish for superior durability and corrosion resistance
- Opens to 12" Width x 14" Depth x 65" Height

### **CB602460**

- Vertical storage area features a bracket for hanging extension cords, clothing or tool belts
- Four-way skids allow access from any side, making it easier and faster to transport
- Powder-coat finish for superior durability and corrosion resistance
- 60" Width x 24" Depth x 60" Height
- Casters shown are sold separately
