

Soft Care® Hand Sanitizing Wipe

Soft Care® Hand Sanitizing Wipes kill 99.9% of harmful germs and bacteria in seconds. Ideal for retail environments, educational facilities, municipal building, and other areas where sanitizing is needed. The 70% alcohol formula moisturizes with Aloe and Vitamin E and has a pleasant wintergreen fragrance to leave hands feeling clean and fresh.

Features & Benefits

- Pre-moistened wipes to conveniently sanitize and clean hands when access to soap and water are not available
- Wipes contain aloe and vitamin E to be gentle on your skin
- Effective against germs and bacteria that can cause illness
- 70% alcohol for effective antibacterial application while also gentle to the skin
- 325 wipes per canister for a cost effective offering
- Disposable wipes help stop the spread of infection due to cross-contamination

Applications

- Great for use in public areas found in commercial facilities such as: retail stores, healthcare facilities, office buildings, restaurants and fitness centers

Soft Care® Hand Sanitizing Wipe

Dispensing Directions:

- Remove lid by lifting upward. Remove foil seal.
- Pull towel from center of the roll and thread through “X” on the underside of the lid.
- Close lid. Pull towel at 90° angle.
- Snap hinged cap back into place to ensure towels stay moist.

Use instructions

- Wet hands thoroughly with product and allow to dry.
- Children under six years of age should be supervised when using this product.

Disposal: Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.
