Glass Pro™ Glass Washers

Models: AA • AA-SUB

Winco Glass Pro™ electric commercial glass washer leads its class in glass and barware cleaning and sanitation. The high-performance brushes resist matting under aggressive use, yet quickly and easily remove dried wine, beer and lipstick. Driven by a powerful 1/3 HP motor, our durable construction will serve your bar for years to come.

Main Features

- Powerful 1/3 HP Motor with thermal overload protection
- High-torque semi-crystalline thermoplastic gears for long life and aggressive use
- High durability thermoplastic brush bristles for aggressive cleaning and shape retention.
- Brush crown has thicker bristles to attack dried-on residue and retain shape
- High performance bronze bearings for long life
- High quality 304 Stainless steel base material resists chemical attack and discoloration
- Slip-resistant rubber feet for stability
- Upright AA: front mounted on/off switch for easy operation with motor guard cover.
- Submersible AA-SUB: remote mounted on/off switch for convenience
- Works with liquid and powdered detergents
- 1-Year Warranty
