Product Characteristics

	MATTE
Breaking Strength	≥250 lbf
Chemical Resistance	Resistant
DCOF	≥ 0.42
Deep Scratch Resistance - Unglazed	N/A
Frost Resistance	Resistant
Mohs Hardness - EN101	N/A
Water Absorption	≤ 0.5%
Certifications	VOC Free Green Squared
Country of Origin	USA
Shade Variation Code	V1

Material

Glazed Body Porcelain

PORCELAIN CARE & MAINTENANCE

INITIAL CLEANING

Proper cleaning after installation is essential for future maintenance. Remove excess grout using clean water and a sponge. If grout leaves behind a white haze, it can be wiped off using a clean cloth after grout has cured. Stubborn residue may require the use of a grout haze remover solution or neutral detergent. Thoroughly rinse the area with clean water and dry with a clean towel or wet vacuum.

ROUTINE MAINTENANCE

Immediately wipe up any spills and clean the area using a damp cloth or sponge. Remove loose soil using a broom or vacuum. To remove stubborn surface debris, use a scraper or putty knife. Wipe the area with a PH-neutral and soapless cleaner. Rinse with clear water and wipe dry to prevent residue. Do not use cleaning wax, oil-based cleaners, ammonia, sealants, or products containing acid or bleach for routine maintenance. Avoid using abrasive cleaning products such as steel wool.

WHEN IT MUST BE GREAT.

WHEN IT MUST BE READY.

WHEN IT MUST BE EXTRAORDINARY.

WHEN IT MATTERS MOST.
