# STARK

shown on front: **B615.0044.003 24x24** Grey & **B635.0164.003 14x39L** Grey Structure (ceramic wall)

Stark by Florida Tile brings the luxury of understated elegance to everyday life. Evocative of natural stone in a most disciplined and exacting way, it has a modern, global appeal. Ideally fitted to a minimalist's aesthetic, Stark proposes uncomplicated yet impactful designs.

Keeping a simple color scheme of white and grey, Stark offers two rectified size formats: a 24x24 glazed porcelain floor and wall tile and a modern 14x39 ceramic wall tile that work in tandem to create powerful looks. A 14x39 structured wall tile in both colors features a repetitive, linear design that amplifies the

collection's versatility. Rounding out this line are bullnose trims in both 3x24 and 3x14 sizes.

Stark glazed porcelain floor and ceramic wall tiles are appropriate for all standard residential and commercial wall and backsplash applications. The porcelain floor tile is appropriate for all standard residential and commercial countertop applications as well as most floor applications. It is GREENGUARD® and Porcelain Tile certified. It also contributes to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

<b>Water Absorption</b>	C-373	≤ 0.5%	≤ 0.5%³
<b>Intended Use⁴</b>	N/A	N/A	Residential Light Commercial

¹ These tests are performed by a 3rd party testing lab using industry standard equipment and techniques. Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² ANSI® A137.1 standard, ceramic tiles selected for level interior spaces expected to be walked upon when wet must have a minimum wet DCOF AcuTest® value of 0.42.

³ Average production value.

⁴ Please visit [www.floridatile.com/intended-use](http://www.floridatile.com/intended-use) for further details.

## Typical Uses

Stark glazed porcelain floor and ceramic wall tiles are appropriate for all standard residential and commercial wall and backsplash applications.

The porcelain floor tile is appropriate for all standard residential and commercial countertop applications as well as most floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Color, texture, and finish variations may occur due to the nature of the product.

Field Tile Nominal Size (in)¹	Metric (cm)	Pcs./Sq Ft²	Thickness³	Edge
<b>24x24</b>	60x60	.25	9mm	Rectified
<b>14x39</b> (ceramic wall)	35x99	.26	10mm	Rectified
<b>14x39L</b> (ceramic wall)	35x99	.26	10mm	Rectified

¹ These values may vary from lot to lot.

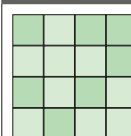

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.
