EmGuard & EmGuard+
Anti-Microbial Technology Available**

Product and Installation Details | ANSI A108.02 Section 4.3.8.2 - For running bond/brick jointing patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.

Sustainability Attributes

- Red List Free
- Health Product Declaration (HPD) provided upon request
- Product Packaging is 100% recyclable
- VOC Free

*For more information check with your Emser representative. Always consult a professional for proper usage and installation.
