FLEXSTEEL®

Power Reclining Loveseat with Power Headrest & Lumbar

IMPORTANT NOTE

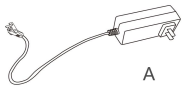

Read these instructions carefully, and familiarize yourself with each procedure before assembling the furniture. Check that you have all the component parts, and familiarize yourself with each part before proceeding.

Take all the fittings out of the plastic bag and separate them into groups. Ensure you have enough space to lay out all the parts before assembly. To prevent damage to the parts, we recommend that you assemble the unit on a soft, level surface.

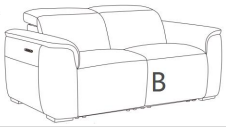

Part List

A. Transformer
2 pieces

B. Reclining Loveseat
1 piece

Assembly Instructions

STEP 1

Take out theTransformers (A) from the bottom of the Reclining Loveseat (B). (See Figure 1)

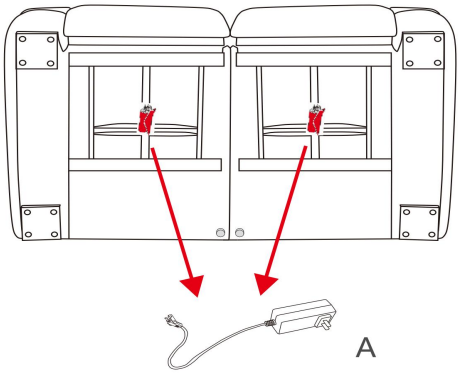

Figure 1

STEP 2

Connect the base motor cables to Transformers (A) on both sides, then plug them into nearby outlets, still making sure they are clear of the metal base. (See Figure 2)

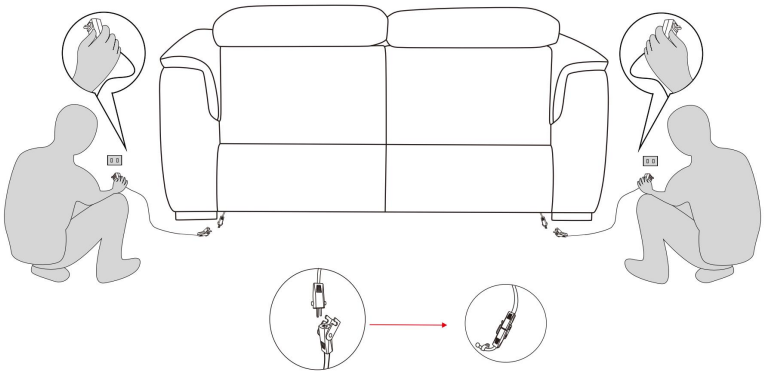

Figure 2

IMPORTANT NOTE

- To avoid any risk of suffocation to children or pets, dispose of all plastic bags immediately.
- To ensure proper performance, occasionally check for loose screws and tighten as needed.
- If the reclining functions are not working properly, check for loose cable connections before contacting the retailer.
