To be eligible for the extended guarantee, go to [guarantee.upplc.com/beldray](http://guarantee.upplc.com/beldray) and register your product within 30 days of purchase.

Please retain instructions for future reference.

Directions for use.

Release the clip.

Expand the airer vertically.

Place the chosen hooks on the desired radiator/door.

The plastic hooks are designed for radiators.

The metal hooks are designed for doors.

Do not use the metal hooks on the radiator.

The metal hooks are intended for use on doors only.

Carefully place the airer on the hooks.

Raise the drying shelves one at a time at a 90° angle.

Lock into position by pushing inwards slightly.

The airer is ready to use.

To disassemble, slightly pull the drying shelves in an outwards direction to release the locking mechanism.

Caution maximum load is 8 kg.

Distribute weight evenly across the airer.

Do not overload the airer.

Take care not to trap hands when using the airer.

Check that the foam stickers are applied to the inside of the metal hooks before attaching to the door to prevent damage.

The door may not close fully whilst the hooks are attached.
