

THRS-SH TITANIUM™ HELMET VISOR

The THRS eye protection line is designed exclusively for Radians' Titanium Safety Helmet. These visors come with euro style accessory clips that allow the fitment of hearing or face protection products. Their adjustable bracketry makes them compatible with Radians DCMT25-BX earmuffs or they can be worn independently. Their snug design provides a contoured face shape for protection even in the harshest weather conditions while also meeting the Z87.1+ standards.

- Euro style accessory clips included
- Contoured face shaping
- Designed exclusively for use with RADIANS Titanium™ safety helmets
- Can be worn with or without Radians DCMT25-BX
- Can be worn with glasses underneath

Visor shown attached to Titanium™ Safety Helmet. Helmet sold separately.
