

Adcraft Pie Server with Wood Handle, 10", in Stainless Steel (KT-27)

Easily cut and serve slices of pies with the Adcraft Pie Server with Wood Handle. This pie server utensil features a classic design with a triangular stainless steel blade and durable wood handle. Designed to easily cut through pies, the sharp edge of the blade can cut through both the crust and pie filling. Additionally, the pie spatula can be used to lift and transfer the slice to a plate or serving dish. This pie server spatula can also be used to cut and serve other desserts.
