## DPG835 HPPE/FOAM NITRILE A3 CUT RESISTANT TOUCHSCREEN GLOVE

The DEWALT DPG835 A3 Cut Glove features a 13-gauge HPPE shell with fiberglass providing defense against sharp materials. The foam nitrile coating ensures a secure grip as well as touchscreen capabilities allowing for seamless use of devices without glove removal. The DPG835 provides abrasion, cut, tear, and puncture resistance, making it ideal for construction, manufacturing, and warehousing applications.
