Yakedo™ replicates the sophisticated aesthetic of burnt cedar in a durable glazed porcelain plank tile. Based on the Shou Sugi Ban technique, or slight burning before installation, the worn textures create a certain dimension and strength. The way in which it reflects light from its crackled texture brings sophisticated movement and visual intrigue to interiors.

Scored Tile

- Pre-scoring provides a consistent design and easy installation.
- Apply grout directly over the scored tile lines. Fusion Pro grout is recommended.
- Scored lines have a grout width of 1/16".
- Gives the impression of a 9"x9" tile install.
- Great for walls and backsplash applications!

The style and name of Cortijo™ is derived from courtyards in the south of Spain. The unique scored design of this 18x18 ceramic floor and wall tile provides the illusion of multiple tiles, but installs with the ease of one. The cool color tone and hexagon styling fits well with both traditional and contemporary designs.

Scored Tile

- Pre-scoring provides a consistent design and easy installation.
- Apply grout directly over the scored tile lines. Fusion Pro grout is recommended.
- Scored lines have a grout width of 1/16".
- Gives the impression of a 9"x9" tile install.
- Great for walls and backsplash applications!
