

# **Rh 38cm Recycled Bakeware Roaster - Grs**

**RH03743**

Please retain instructions for future reference.

## **Care and use**

Our ovenware is suitable for domestic oven use only and can withstand temperatures up to 220°C (Gas Mark 7). For optimal care and to ensure longevity, do not use metal utensils with the ovenware and never leave it unattended while in use. After use, always allow the ovenware to cool before cleaning. It is recommended to hand-wash using a mild detergent and a nonabrasive sponge, then rinse and dry thoroughly. When handling hot ovenware, always use heat-resistant oven gloves and avoid exposing hot ovenware to cold liquids to prevent thermal shock. If you notice any damage to the ovenware, please dispose of it carefully for your safety.

Made in **China**.
