PUNCTURE RESISTANT WORK GLOVES

The Original® Needlestick Protection glove is built around the same framework as the world renowned Original®, but with ArmorCore™ technology added to the working side of hands. Offering ASTM F2878 level 2 needlestick puncture certification, this glove is designed for those who handle glass, needles, sharp blades or cables on the job, while also demanding more breathability. The Original® Needlestick Protection glove delivers unmatched fit, feel and functionality so you can tackle the job with confidence.

FEATURES

- 1 ArmorCore™ technology across the entire palm, sides of fingers and rolling over fingertips, allows for ASTM F2878 level 2 needlestick puncture protection and A5 cut protection.
- 2 Gunn style palm construction allows for additional needlestick & cut protection to sides of fingers.
- 3 Form-fitting TrekDry® helps keep your hands cool and comfortable.
- 4 Adjustable Thermoplastic Rubber (TPR) wrist closures create a secure fit.
- 5 HiRoller™ rollover fingertip construction provides added protection and durability.
- 6 Touchscreen capable synthetic leather provides the perfect blend of dexterity and durability.
- 7 Nylon carrier loops for storage.
