

## FIFRA Section 2(ee) Recommendation

For Control of Spotted Lanternfly on Vegetables, Peanuts, and Grapes in all states except CA and TX.

### **BioAdvanced Science-Based Solutions Tomato & Vegetable Insect Killer Concentrate**

#### **EPA Reg. No. 92564-17**

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Spotted Lanternfly**, depending on location of infestation, apply this product in accordance with label directions for BEFORE YOU USE, WHEN TO USE, WHERE TO USE, HOW TO USE and HOW OFTEN.

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.

**This Technical Information Bulletin expires on 12/31/2024.**
