

EXTENDIBLE 16 QT. DRAIN PAN & FUNNEL

Item #	Inner	Master	UPC	Packaging
W4082	1	4	039564157707	Label

- Innovative design features a collapsing receiver funnel that can be adjusted up to 10 in. (25 cm) off the surface of the drain pan
- Funnel surfaces engineered with splash reducing surface to reduce spillage typical with hot engine oil
- Heavy wall construction keeps container rigid, even when draining hot engine oil
- Adjustable height brings the opening closer to the drain plug to help eliminate messes
- High quality tethered plastic caps with rubber gaskets for a leak free seal
- Made from durable polypropylene and silicone material
- 16 Quart (15.14 L) capacity
