

The elegant veining of Nobleza™ recreates the classic look of rich Italian marble but provides all the benefits of porcelain tile. This series beautifully mirrors the subtle color variations and movement found in natural marble and provides design versatility for any size project from commercial to residential. Perfect for floors and walls, Nobleza™ adds a luxurious feel to any space.

Sustainability Attributes

- Red List Free
- Health Product Declaration (HPD) provided upon request
- Product Packaging is 100% recyclable
- VOC Free

Product and Installation Details | ANSI A108.02 Section 4.3.8.2 - For running bond/brick joining patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.
