

FULL STABILITY. ZERO FATIGUE.

A full standing platform, extra-wide anti-slip steps, and aircraft-grade aluminum — all under 15 lbs and built for pros who work hard and move fast.

XL STANDING PLATFORM

169 sq. in. platform, built to fight fatigue and keep you locked in for the long haul.

BOX RUNGS

3 in. box rungs give you a rigid and dependable climb.

FAST TO OPEN. BUILT TO LAST.

Extra-wide anti-slip steps, a full standing platform, and aircraft-grade aluminum durability.

SCAN TO SEE IT IN ACTION!

TOOL TRAY TOP CAP

Large built-in tray holds screws, bolts, tape measures, levels, and more, keeping your most used tools close so you can work faster and avoid constant trips up and down.

EASY-RELEASE HANDLE

Open the ladder with a smooth, single motion. The built-in release handle makes setup fast, simple, and hassle-free — no pinching, no fighting with the frame.

BUILT-IN GRIP, NO MISSTEPS

Extra-wide, 3" steps with textured treads help prevent slips and keep your footing locked in.

FULL-SIZE STANDING PLATFORM

This full platform gives you real standing room to fight fatigue and keep you locked in on long installs and finish work.

CARRY IT WITHOUT THE SWEAT.

At under 15 lbs., this ladder is effortless to lift, load, and reposition — even with tools in hand.
