Resp-O₂™ Non-Rebreather Masks are designed to effectively deliver oxygen at high concentration rates in emergency situations. The masks feature a safety valve and a reservoir bag to ensure sufficient oxygen supply. A 3-in-1 mask is also available, which can be used as a medium-concentration, high-concentration, or non-rebreathing mask.

- Transparent vinyl mask features smooth edges
- Mask features an adjustable nose clip and elastic strap
- Includes a vinyl reservoir bag and 7' of crush-resistant, star lumen oxygen supply tubing
- Not made with natural rubber latex or DEHP
